

Heads News:

Firstly, we have more academic success to celebrate this week. Well done to Jack Handford on being awarded the Governors' All Rounder Award from The Gregg School, Southampton. Further reason to celebrate was the eagerly anticipated news that Redmand Rance has been offered the leading role in the Victoria Palace's production of "Billy Elliot". Well done to him and I know that we will look forward to watching him – that is after he has finished performing in the West End's "Singing in the Rain".

Thank you to the Year 3's for a great assembly on space travel this morning; we learnt so much about the first trip to the moon!

Well done to all of our runners, who worked so hard today, in helping to make the NSPCC Marathon a true success. Please remember to collect in the sponsorship money over the weekend and holidays so that we can present the NSPCC with a cheque next term.

Further sporting success was achieved on Wednesday with the Under 11 hockey team beating Hamble Sports College; Under 12's, 4-1, and the Under 10 Rugby team notching up yet another extremely impressive 32-7 win over Durlston Court. All of our teams have performed so well this term and their efforts have transformed our results so far this year. With rounders and cricket due to start just after the Easter break we look forward to seeing further improvements being made.

Next week will see the Prep Department's production of "Pirates of the Curry Bean". This year they will be joined by Year 3 so we look forward to seeing as many of you there as possible. On Thursday evening we will be joined by the Fareham's Deputy Mayor and Mayoress.

EARLY YEARS

NURSERY NEWS

Visit from the Vet

The eagerly awaited visit from the Vet, Miss Susie Smith, was a huge success. Both nursery and reception classes had an hour long visit which they thoroughly enjoyed. We met Welsley the dog who was, indeed, very well behaved putting all the children at ease.

The nursery children shared stories of their pets and tried on surgical gowns, gloves and masks, using stethoscopes to listen to Welsley's heart fifteen times! We looked at real X-rays and showed our visitor the role play surgery that we have. Then Welsley went on to Mrs Cove's classroom where many more questions and opportunities were available for the reception children to learn about the life of a Vet and pet care. Our thanks to Miss Smith for such a lovely afternoon.

For the nursery, a few reminders that there will be **NO SHOW AND TELL** on Wednesday next week as it is of course our trip to Blue Reef. Then on Thursday it's our Sing-a-long. Coffee will be available in the library at 11 o'clock, 11.30 for Sing-a-Long in the nursery.

Finally a reminder to take all boots and PE shoes home for the holiday and a quick check prior to coming back please, to ensure that your child can still get into them! Wishing you and all nursery children a very happy holiday and we look forward to hearing all their news when we return.

RECEPTION NEWS

Trip to the Search Museum

On Monday 5th March, reception children enjoyed an exciting trip to the Search Museum in Gosport. Our current topic is 'Animal Antics' so it was very interesting for the children to be able to see the animals up close and to view insects under microscopes. The children enjoyed the different animal activities; dressing up in the animal costumes being the most popular! Thank you to Mrs Lewis and Mrs Puddick for coming with us on the trip and for your help with the activities.

PREPARATORY

YEAR 4 TO 8 NEWS

"Pirates of the Curry Bean"

Please can you let the office know how many seats you require for Wednesday 21st and Thursday 22nd. There is a slip at the end of this Newsletter or please just email your requirements. You are more than welcome to come to both performances if you wish! Last year we had quite a small audience on Wednesday so this year we are hoping to see more faces in the audience. On Wednesday Harry Lester will be playing Admiral Hornhonker. Redmand Rance will play the role on Thursday. If you have any special requirements let us know. Drinks will be on sale, during and after both performances.

THURSDAY 22ND EVE PERFORMANCE

All children from Year 4-8 will be required to stay for Prep and Big Tea. The performance is due to finish at approx. 8.30pm. Year 3 parents, your children will need to meet in the ASC at 6.30pm dressed in their costumes. This year all donations will go towards a brand new sound system in the hall! We are all

Missing Costumes!

We still have a number of children who have still not brought in their costumes for the performance. Please, please can we have them in by Monday morning as we are having photographs taken for the dress rehearsal. Thank you.

TEAM PHOTOGRAPHS

If your child is in a school team, they will be bringing home proof copies of the photographs this weekend. If you would like to view the full size copies on proper photographic paper, the photographer has left an example of each photo in the office for you to look at before you buy.

BOARDING HOUSE

On Sunday evening we welcomed back some of our boarders with a movie on the cinema screen in the ICT room. Jessica Johns was awarded 'Boarder of the Week' and received

a chocolate bar on Monday night. Each week stars will be added up and rewarded on the Monday. We played "stalk the lantern" outside and enjoyed the fresh evening air. On Tuesday night Mr Ekin answered the distress call for a second bus driver and joined us on our magical trip to Gunwharf Quays to watch the excellent Muppets movie. Everyone filed into the back two rows and settled in for an evening of fun. We all left humming one of the theme tunes. On Wednesday evening Mr Halliday held football in the twilight and various children's games. Thursday was tuck and movie night with two separate showings for the relevant age groups. Friday night's activity should be fun with games in the hall and after all the matches on Saturday we hope to visit Paultons Park early on Sunday morning. As we head into the final week of Spring term, might I ask that all boarders take as much of their belongings home for the Easter break as possible and return with all named summer uniform including swimming costumes.

YEAR 1 NEWS

Trip to the Weald and Downland Museum

Yesterday we went on the school trip. I had fun. I liked it because the sun was out. First I went to cook some drop scones, they were tasty! I had them with a bit of jam. They were made with lots of ingredients. Then I went to do some children's chores, some were easy, some were hard. I liked polishing the bell. When I was banging the carpet, it was hard work! After Lunch we went to the Mill to see how they make flour. After that we fed the ducks, I loved it! We went to the blacksmiths and learnt some things about it. After this we went to the shop and some people had money and bought some things. Then we went home on the bus.
